Approval of Minutes

Jim Mickelson made a motion to approve the September 5, 2007 minutes. The motion was seconded by Joe Thomas. All voted in favor. Motion carried.

Gene asked if any of the members had changes or additions to the draft agenda for the November 5 and 6 meeting. None were noted.

The question of a Game and Fish person serving on the Horse Creek Conservation District came up. It was noted by John that anyone can serve on a conservation district. We will follow-up to get the details of this district, as it is not part of the 34 districts in the state.

John reported the Brucellosis Task force met on Sept. 13 and went well, as well as the Expo in Casper. Everyone said the Governor's Natural Resource Tour was a big success.

Jason said they would be interviewing for the WLCI position soon and hope to have that position filled in October.

There being no additional business, the meeting was adjourned.

Respectfully submitted,

Jack Corson, President
